APPENDIX 1 – OMBUDSMAN PROGRAM FUNDING OPPORTUNITY	

A. PURPOSE

In collaboration with the Centers for Medicare and Medicaid Services (CMS), California is implementing a demonstration ombudsman program under the Financial Alignment Initiative model. The demonstration, now known as Cal MediConnect, partners California's Medi-Cal program with the federal Medicare program to launch a project promoting an integration of services and coordinated health care delivery to seniors and people with disabilities who are dually eligible for both programs. Cal MediConnect aims to create a seamless service delivery experience for dual eligible beneficiaries, with the ultimate goals of improved care quality, better health, and a more efficient delivery system.

Cal MediConnect is part of California's Coordinated Care Initiative (CCI). Building on many years of stakeholder discussions, the CCI was enacted in July 2012 through Senate Bill (SB) 1008 (Chapter 33, Statutes of 2012) and SB 1036 (Chapter 45, Statutes of 2012). Further updates and clarifications to this initiative were enacted in June 2013 through SB 94 (Chapter 37, Statutes of 2013).

The California Department of Managed Health Care (DMHC) and the California Department of Health Care Services (DHCS) are soliciting proposals from qualified entities to become Cal MediConnect Ombudsman Service Providers in eight designated regions as specified in the "Statement of Work" (Section C) of this Request for Proposals (RFP).

The Cal MediConnect Ombudsman Service Providers (OSPs) program will assist Cal MediConnect managed care enrollees by resolving issues with the Cal MediConnect managed care plans in which they are enrolled, offering individual advocacy services and conducting impartial investigations of member complaints. The OSPs will conduct independent, systematic analysis of complaints related to Cal MediConnect plans, and work with the DMHC and the DHCS to ensure Cal MediConnect health plans comply with the principles of community integration, independent living and person-centered care. The OSPs will empower enrollees with appropriate information and resources, provide assistance with filing complaints and seeking resolutions, conduct systems analysis, identify trends and emerging issues, and develop recommendations to the DMHC and the DHCS for program improvements.

Community-based organizations that meet the minimum qualifications are invited to submit a proposal either independently or in collaboration with other community-based organizations to serve as Cal MediConnect OSPs. The DMHC intends to award one agreement encompassing all 8 counties in which the Cal MediConnect will operate. An award, if made, will be to the highest scoring proposal. If a coalition is proposed, one organization must be designated as the lead organization and the others should be listed as subcontractors. The lead organization should identify how it will promote coordination among all 8 regions to establish a single, cohesive Cal MediConnect OSP program.

The term of this agreement is upon approval to August 31, 2016. The anticipated total amount available for 3 years is \$1,456,255 broken down as follows:

Year One - FY 13/14,	Upon Approval – August 31, 2014:	\$589,989
Year Two - FY 14/15,	September 1, 2014 – August 31, 2015:	\$433,133
Year Three - FY 15/16,	September 1, 2015 – August 31, 2016:	\$433,133

Funding for Years 2 and 3 is approximated and contingent on approval and award by the federal government. Should the DHCS seek and receive approval for a no-cost extension, the DMHC reserves the right to amend the agreement for an additional year (Year 4) to accomplish the goals of the project. Agreement extensions are subject to satisfactory performance, funding availability, and approval by the Department of General Services.

Proposal modifications offered in any other manner, oral or written, will not be considered.

- b) Proposals that contain false or misleading statements, or which provide references which do not support an attribute or condition claimed by the proposer, may be rejected. If, in the opinion of the DMHC, such information was intended to mislead the DMHC in its evaluation of the proposal, and the attribute, condition, or capability is a requirement of this RFP, it will be the basis for rejection of the proposal.
- c) Organizations wishing to claim any of the bid preferences shall submit the proper required certification documents and check the box next to the applicable Attachment number on "Attachment 5, Required Attachment Check List". Refer to the links in Section F, Preference Programs, in this RFP for information regarding these preference programs.
- d) An organization must receive a minimum of 49 points on their Stage 2 Evaluation, as demonstrated below, in order for the DMHC to consider their Cost Proposal.

Evaluation Criteria are set as follows:

STAGE 1: Minimum Qualifications

Proposals must first pass the Minimum Qualifications review. If the information and documentation supplied by the organization does not prove, support or substantiate the claims made by the organization, the proposal will be deemed non-responsive and will not be eligible for further consideration.

STAGE 2: Firm's Capacity to Perform the Contracted Services

- a) All proposals passing the Minimum Qualifications Requirement will be evaluated and scored for their degree of responsiveness to each of the components mentioned below.
- b) An overall maximum of 70 possible points may be achieved in this stage and an overall minimum of 49 points must be achieved to be considered a responsive

proposal. (A responsive proposal is one that meets the requirements stated in this RFP.)

- c) Proposals will be reviewed, evaluated and scored by an authorized Evaluation Committee. Evaluation of proposals will be based on the criteria shown as follows for each component; each component will be scored according to the degree of responsiveness present in the proposal being evaluated. A component score will not exceed the possible points shown for that component.

1A - Does the proposal demonstrate an emphasis on empowering individuals, and investigating and resolving complaints for the enrollees participating in the Cal MediConnect program?	10

Task B - Referrals to Other Organizations: Does the proposal include consumer-friendly and efficient referral procedures for entities to use in referring enrollees to other organizations?	5

Does the work plan also demonstrate how the organization will use its target group and local area expertise in designing and implementing the work plan?	5

4 - Project personnel: Do the resumes demonstrate the experience and knowledge needed to complete the tasks required?	5
Total Possible Score	70

STAGE 3: Cost Proposal Evaluation and Scoring

The points for the Cost Proposal for each responsive proposer shall first be adjusted before any of the preference programs for which they qualify and any DVBE incentive points. Refer to the links in Section F, Preference Programs, for information regarding preference programs and Section G, Disabled Veteran Business Enterprise (DVBE) Incentive Program, on how DVBE incentive points are calculated.

- The proposal work plan offering the lowest total cost proposal shall receive the maximum 30 cost points.
- Cost points for the remaining proposals shall be determined by applying the following formula:

$$\frac{\text{Lowest Cost Proposal}}{\text{Other Cost Proposal}} = \text{Factor}$$

$$\text{Factor} \times 30 (\text{max. cost points}) = \text{Cost Points for Other Organization}$$

For example:

Lowest Cost Proposal = \$75,000 divided by the other proposal: \$100,000 = 0.75

So:

0.75 X 30 = 22.50 cost points awarded to other proposal

Final calculations shall result in numbers rounded to two decimal places.

STAGE 4: Total Points Calculation

For all proposals achieving a passing score in Stage 2, the DMHC will combine the organization's score earned in Stage 2 to the Proposer's cost points calculated in Stage 3 as follow:

$$\text{Total Points} = \text{Components Score} + \text{Cost Proposal Score}$$

Awards, if made, will be to the highest scored responsive proposal. In the event of a precise tie, the winner shall be determined by a coin toss. Affected organizations will be contacted to participate in the coin toss.

Evaluation Criteria	Maximum Possible Score
Components Evaluation (Stage 2)	70
Cost Proposal (Stage 3)	30
TOTAL POINTS	100
Preference Program(s) Points	
DVBE Incentive Points	
GRAND TOTAL POINTS	

8) Award and Protest

- a) The DMHC intends to award one agreement encompassing all 8 counties in which the Cal MediConnect will operate. An award, if made, will be to the highest scoring proposal across all.
- b) Notice of the proposed award shall be posted in the DMHC lobby at 980 – 9th Street, Suite 500, Sacramento, CA 95814 and at www.dmhca.gov for five (5) days prior to award of the agreement.
- c) If any organization, prior to award of the agreement, files a protest with the DMHC, 980 9th Street, Suite 500, Sacramento, CA 95814 and the Department of General Services, Office of Legal Services, 707 Third Street, 7th Floor, Suite 7-330, West Sacramento, CA 95605, on the grounds that the (protesting) organization would have been awarded the agreement had the Department evaluated and scored their proposal as described in the RFP, the agreement shall not be awarded until either the protest has been withdrawn or the Department of General Services has decided the matter. It is suggested that any protest be sent by certified or registered mail.
- d) Within five (5) days after filing the initial protest, the protesting organization shall file with the Department of General Services, Office of Legal Services and the DMHC a detailed statement specifying the grounds for the protest.

9) Agreement Execution and Performance

- a) Performance shall start on the express date set by the DMHC and the contractor, after all approvals have been obtained and the agreement is fully executed. Should the contractor fail to commence work at the agreed upon time, the DMHC, upon five (5) days written notice to the contractor, reserves the right to terminate the agreement.
- b) Upon award of an agreement, contractor must complete and submit the Payee Data Record (Std. 204 Form) to determine if the contractor is subject to state income tax withholding pursuant to the California Revenue and Taxation Code Sections 18646 and 18662. This form is available at <http://www.documents.dgs.ca.gov/osp/pdf/std204.pdf>. No payment shall be made unless a completed Std. 204 has been returned to the DMHC.
- c) The State's General Terms and Conditions (GTC) are not negotiable. The DMHC does not accept alternate agreement language from a contractor. A proposal with such language will be considered a counter proposal and will be rejected. The GTC 610 may be viewed at www.ols.dgs.ca.gov/Standard+Language. If you do not have internet access, a hard copy of the GTC can be provided by contacting the person identified within this solicitation.
- d) Upon award of an agreement, contractor must sign and submit the Contractor Certification Clauses (CCC 307) which are available at www.ols.dgs.ca.gov/Standard+Language.

- e) All performance under the agreement shall be completed on or before the termination date of the agreement.
- f) No oral understanding or agreement shall be binding on either party.

G. DISABLED VETERAN BUSINESS ENTERPRISE (DVBE) INCENTIVE PROGRAM

Note: The DVBE participation requirement has been waived; however, the DVBE Incentive Program will apply for this RFP.

Under California Code of Regulations (CCR) Title 2, Section 1896.99.100, the California DVBE Incentive provides responsive and responsible firms the opportunity to receive additional incentive calculations. The incentive is applied at the time of solicitation evaluation when a proposing firm selects a California-certified DVBE subcontractor to provide services or commodities in support of the overall contract effort. Application of the DVBE Incentive may place the proposing firm in line for contract award.

The following are key elements of the DVBE Incentive Program:

- 1) The DVBE Incentive is applied during the evaluation process and is applied *only* to responsive proposals from responsible firms proposing the percentage(s) of DVBE participation for the incentive(s) specified in the solicitation.
- 2) The DVBE Incentive participation is optional and at the discretion of the proposing firm.
- 3) When requesting the Incentive Application, proposing firms must complete and return the DVBE Incentive Application Request (Attachment 9) with their proposal at time of submission.
- 4) The Incentive is calculated by multiplying the solicitation's total points possible by the level of DVBE participation (%) identified by the proposing firm. This amount is then added to the proposer's total points to determine if they have the highest total score. Computation is for evaluation purposes only and cannot be used to achieve any applicable minimum point requirements. (2 CCR 1896.99.100 (d))
- 5) Services or commodities provided by the DVBE firm MUST meet the definition of a "Commercially Useful Function" (CUF) as defined under Government Codes 14837(d)(4) and Military and Veterans Code 999(b)(5)(B). A DVBE firm not meeting CUF regulations will render the proposing firm ineligible for the DVBE Incentive application.

- 6) The DVBE Incentive application will be based on the Highest Total Score Method and follows the guidelines identified below:
- a) The Incentives shall not exceed 5%, nor be less than 1% of the total possible points, not including points for socioeconomic incentives or preferences. (2 CCR 1896.99.120 (b))
 - b) Incentive points are included in the sum of non-cost points, and are based on amounts of participation.

SAMPLE: Using the incentive scale below (Display is for illustration purposes only)

Confirmed DVBE Participation	Possible Points Calculation:
1% - 1.99% inclusive	1% X 100 = 1
2% - 2.99% inclusive	2% X 100 = 2
3% - 3.99% inclusive	3% X 100 = 3
4% - 4.99% inclusive	4% X 100 = 4
5% and Higher	5% X 100 = 5

SAMPLE RESULTS	FIRM A	FIRM B	FIRM C
Responsive/Responsible	Yes	Yes	Yes
Total Points	80	87	85
Eligible Preference	SB	None	SB
SB Preference Points Applied	4.35	0	4.35
Subtotal	84.35	87	89.35
Rank	3	2	1
Confirmed DVBE Participation	None (0%)	Yes (5%)	Yes (2%)
Incentive Points Applied	0	5	2
Adjusted Points	84.35	92	91.35
New Rank	3	1	2

Order of Evaluation

- i. Small Business Preference is calculated by multiplying the highest total points achieved by a Non-Small Business by 5% and adding the resulting calculation to the total points of the certified Small Business firm(s). In this sample, the calculation was based on 87 points x .05 resulting in 4.35 additional points added to the certified Small Businesses (A and C).
- ii. The DVBE Incentive points are factored by multiplying the DVBE participation (%) identified by the total possible points that could be awarded (100). This amount is then added to the firm's total points. In the sample above, Firm B had 5 additional points added (.05% x 100 total possible points) to their total points placing them first for award. Firm C received 2 Incentive points, but this was not enough to place them first for award).
- iii. Under the Highest Total Score Method, it is possible to displace a high point Certified Small Business with the Application of the DVBE Incentive.

This background investigation includes fingerprinting and a California Department of Justice criminal record check. Each Contractor, agent, subcontractor and individual employee who is to perform services under this Agreement must voluntarily consent to a background investigation. Fingerprint rolling fees and background investigation costs will be borne by the Contractor, payable at time of fingerprinting. Previous clearances and/or investigations conducted by other agencies will not be accepted as an alternative to the DMHC's background investigation. It is the Contractor's responsibility to notify the DMHC when an employee working under this Agreement is terminated, not hired or reassigned to other work.

Per Government Code Section 1041, pre-employment background investigations shall be required of contract employees whose duties include or would include access to medical information. The pre-employment background investigation will consist of fingerprinting and an inquiry to the Department of Justice (DOJ) and the Federal Bureau of Investigations (FBI) to disclose Criminal Offender Record Information (CORI). This includes any changes in business form, such as a change from sole proprietorship or partnership into a corporation or vice-versa; any changes in company ownership; any dissolution of the business; any change of the name of the business; any filing in bankruptcy; any revocation of corporate status by the Secretary of State; and any other material changes in the Contractor's business status or structure that could affect the performance of the Contractor's duties under the Agreement.

If the Contractor violates any provision of the above paragraphs, such action by the Contractor shall render this Agreement void.

14. PROHIBITION OF FOLLOW-ON CONTRACTS

No Contractor or subsidiary thereof who has been awarded a consulting services contract may submit a bid for, nor be awarded a contract for, the provision of services, procurement of goods or supplies, or any other related action which is required, suggested, or otherwise deemed appropriate in the end product of the consulting services contract. 16. APPROVAL OF SUBCONTRACTS

18. FORCE MAJEURE

Except for defaults of subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include, but are not limited to:

21. LEGAL CLAUSE

Contractor agrees to make a good faith effort to provide a minimum number of hours of pro bono legal services during each year of the contract equal to the less of 30 multiplied by the number of full-time attorneys in the firm's offices in the State, with the number of hours prorated on an actual day basis for any contract period of less than a full year or 10% of its contract with the State.

Failure to make a good faith effort may be cause for non-renewal of a State contract for legal services, and may be taken into account when determining award of future contracts with the State for legal services.

22. WAIVER OF RIGHTS

Any action or inaction by the State or the failure of the State on any occasion, to enforce any right or provision of the contract, shall not be construed to be a waiver by the State of its rights hereunder and shall not prevent the State from enforcing such provision or right on any future occasion. The rights and remedies of the State herein are cumulative and are in addition to any other rights or remedies that the State may have at law or in equity.

(2) To notify DHCS **within 24 hours by email or fax** of the discovery of any suspected security incident, intrusion or unauthorized access, use or disclosure of PHI or PI in violation of this Agreement and this Addendum, or potential loss of confidential data affecting this Agreement. A breach shall be treated as discovered by Business Associate as of the first day on which the breach is known, or by exercising reasonable diligence would have been known, to any person (other than the person committing the breach) who is an employee, officer or other agent of Business Associate.

Notice shall be provided to the DHCS Program Contract Manager, the DHCS Privacy Officer and the DHCS Information Security Officer. If the incident occurs after business hours or on a weekend or holiday and involves electronic PHI, notice shall be provided by calling the DHCS ITSD Service Desk. Notice shall be made using the "DHCS Privacy Incident Report" form, including all information known at the time. Business Associate shall use the most current version of this form, which is posted on the DHCS Privacy Office website (www.dhcs.ca.gov), then select "Privacy" in the left column and then "Business Use" near the middle of the page) or use this link: <http://www.dhcs.ca.gov/formsandpubs/laws/priv/Pages/DHCSBusinessAssociatesOnly.aspx>

Upon discovery of a breach or suspected security incident, intrusion or unauthorized access, use or disclosure of PHI or PI, Business Associate shall take:

- a. Prompt corrective action to mitigate any risks or damages involved with the breach and to protect the operating environment; and
 - b. Any action pertaining to such unauthorized disclosure required by applicable Federal and State laws and regulations.
2. **Investigation and Investigation Report.** To immediately investigate such security incident, breach, or unauthorized access, use or disclosure of PHI or PI. Within 72 hours of the discovery, Business Associate shall submit an updated "DHCS Privacy Incident Report" containing the information marked with an asterisk and all other applicable information listed on the form, to the extent known at that time, to the DHCS Program Contract Manager, the DHCS Privacy Officer, and the DHCS Information Security Officer:
 3. **Complete Report.** To provide a complete report of the investigation to the DHCS Program Contract Manager, the DHCS Privacy Officer, and the DHCS Information Security Officer within ten (10) working days of the discovery of the breach or unauthorized use or disclosure.

The report shall be submitted on the "DHCS Privacy Incident Report" form and shall include an assessment of all known factors relevant to a determination of whether a breach occurred under applicable provisions of HIPAA, the HITECH Act, the HIPAA regulations and/or state law. The report shall also include a full, detailed corrective action plan, including information on measures that were taken to halt and/or contain the improper use or disclosure. If DHCS requests information in addition to that listed on the "DHCS Privacy Incident Report" form, Business Associate shall make reasonable efforts to provide DHCS with such information. If necessary, a Supplemental Report may be used to submit revised or additional information after the completed report is submitted, by submitting the revised or additional information on an updated "DHCS Privacy Incident Report" form. DHCS will review and approve the determination of whether a breach occurred and individual notifications are required, and the corrective action plan.

4. **Notification of Individuals.** If the cause of a breach of PHI or PI is attributable to Business Associate or its subcontractors, agents or vendors, Business Associate shall notify individuals of the breach or unauthorized use or disclosure when notification is required under state or federal law and shall pay any costs of such notifications, as well as any costs associated with the breach. The notifications shall comply with the requirements set forth in 42 U.S.C. section 17932 and its implementing regulations, including, but not limited to, the requirement that the notifications be made without unreasonable delay and in no event later than 60 calendar days. If a breach of unsecured PHI involves more than 500 residents of the State of California or its jurisdiction, Business Associate shall notify the Secretary of the breach immediately upon discovery of the breach. If Business Associate has reason to believe that duplicate reporting of the same breach or incident may occur because its subcontractors, agents or vendors may report the breach or incident to DHCS in addition to Business Associate, Business Associate shall notify DHCS, and DHCS and Business Associate may take appropriate action to prevent duplicate reporting. The breach reporting requirements of this paragraph are in addition to the reporting requirements set forth in subsection 1, above.
6. **DHCS Contact Information.** To direct communications to the above referenced DHCS staff, the Contractor shall initiate contact as indicated herein. DHCS reserves the right to make changes to the contact information below by giving written notice to the Contractor. 1. Provide an opportunity for DHCS to cure the breach or end the violation and terminate the Agreement if DHCS does not cure the breach or end the violation within the time specified by Business Associate; or
2. Immediately terminate the Agreement if DHCS has breached a material term of the Addendum and cure is not possible.

L. Due Diligence. Business Associate shall exercise due diligence and shall take reasonable steps to ensure that it remains in compliance with this Addendum and is in compliance with applicable provisions of HIPAA, the HITECH Act and the HIPAA regulations, and that its agents, subcontractors and vendors are in compliance with their obligations as required by this Addendum.

- D. Requests Conflicting with HIPAA Rules.** Not request the Business Associate to use or disclose PHI in any manner that would not be permissible under the HIPAA regulations if done by DHCS.

V. Audits, Inspection and Enforcement

- A. From time to time, DHCS may inspect the facilities, systems, books and records of Business Associate to monitor compliance with this Agreement and this Addendum. Business Associate shall promptly remedy any violation of any provision of this Addendum and shall certify the same to the DHCS Privacy Officer in writing. The fact that DHCS inspects, or fails to inspect, or has the right to inspect, Business Associate's facilities, systems and procedures does not relieve Business Associate of its responsibility to comply with this Addendum, nor does DHCS':

Business Associate shall continue to extend the protections of this Addendum to such PHI, and shall limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible. This provision shall apply to PHI that is in the possession of subcontractors or agents of Business Associate.

VII. Miscellaneous Provisions

A. *Disclaimer.* DHCS makes no warranty or representation that compliance by Business Associate with this Addendum, HIPAA or the HIPAA regulations will be adequate or satisfactory for Business Associate's own purposes or that any information in Business Associate's possession or control, or transmitted or received by Business Associate, is or will be secure from unauthorized use or disclosure. Business Associate is solely responsible for all decisions made by Business Associate regarding the safeguarding of PHI.

- E. *Interpretation.*** The terms and conditions in this Addendum shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, the HIPAA regulations and applicable state laws. The parties agree that any ambiguity in the terms and conditions of this Addendum shall be resolved in favor of a meaning that complies and is consistent with HIPAA, the HITECH Act and the HIPAA regulations.

- H. *No Waiver of Obligations.*** No change, waiver or discharge of any liability or obligation hereunder on any one or more occasions shall be deemed a waiver of performance of any continuing or other obligation, or shall prohibit enforcement of any obligation, on any other occasion.
