about your Medicare and Medi-Cal benefits**

Final Notice: Important Information

You are getting this letter because you have BOTH Medicare and Medi-Cal. The way you get your health care is changing. This is the third and final letter telling you about these changes.

You will be enrolled in the Health Plan of San Mateo's CareAdvantage Cal MediConnect Plan (Medicare-Medicaid Plan). Unless you choose to stay with regular Medicare, you do not need to do anything and your coverage in this plan will become effective on 04/01/2014.

What is a Cal MediConnect plan?

A Cal MediConnect plan is a Medicare/Medi-Cal plan that will manage your Medicare and Medi-Cal benefits. Enrolling in a Cal MediConnect plan means that you keep your Medicare and Medi-Cal benefits with no extra cost but you must use your Cal MediConnect providers. You can also get additional transportation and vision benefits. The Health Plan of San Mateo (HPSM) is operating the Cal MediConnect plan in San Mateo. Our plan is called HPSM CareAdvantage Cal MediConnect Plan (Medicare-Medicaid Plan) or CareAdvantage CMC.

Enrolling in a CareAdvantage CMC will:

- Keep all your Medicare and Medi-Cal services and benefits you receive now without any extra costs, including In-Home Supportive Services (IHSS), Multipurpose Senior Services Program (MSSP), Community-Based Adult Services (CBAS), and nursing home care.

- Ensure that all of your doctors, specialists, and other providers work together to get you the care you need.
- Give additional transportation and vision benefits.

How does CareAdvantage CMC help me?

CareAdvantage CMC helps you because your Medicare and Medi-Cal benefits work together and work better for you.

Your doctors, pharmacists, IHSS, CBAS, MSSP, and other providers work together to care for you. They will coordinate and assist you in getting the care and services that you need. This is called ~~care~~ care coordination.+

Your choices include:

- 1. Enrolling in CareAdvantage CMC.** CareAdvantage CMC covers both Medicare and Medi-Cal services. If you join the Cal MediConnect plan, you will receive IHSS, MSSP, CBAS, and nursing home care through CareAdvantage CMC. They also cover vision care and transportation. CareAdvantage CMC will work with you, your doctors and providers to ensure you get the care you need.
- 2. Keep your Medi-Cal and Medicare the way it is now.** You will remain in HPSM for your Medi-Cal health plan if you choose not to enroll in CareAdvantage CMC. You will keep your Medicare doctors and hospitals, and you will receive your Medi-Cal benefits like IHSS, MSSP, CBAS, and nursing home care through HPSM. You will not lose any services.

What should I do now?

Review the choices above and decide which is best for you. Ask your doctors and other health care providers to see which plans they work with.
