Do you have Medicare and Medi-Cal?

If so, you can combine all your Medicare and Medi-Cal benefits under one health plan called Cal MediConnect. You can continue seeing your doctors and specialists if they work with a Cal MediConnect plan.

Each Cal MediConnect Plan Covers:

✓ All Medicare (Parts A, B, and D) and Medi-Cal services under one plan

✓ Your Long-Term Services and Supports (LTSS), also coordinated by the plan

Long-Term Services and Supports include:
• Community-Based Adults Services (CBAS)
• In-Home Supportive Services (IHSS)
• Multipurpose Senior Services Program (MSSP)
• Nursing home care

How Can a Care Coordinator Help Me?

A care coordinator is a social worker or nurse who helps you manage your health care services and suggests other support that may be helpful.

Your care coordinator can:

► get referrals from your primary care doctor to see specialists

► set up continuity of care so you can see your important out-of-network providers for a limited time

► help arrange for transportation to medically-related appointments

► connect you to Long-Term Services and Supports if you qualify

► assist you with finding services and products (grab bars, wheel chairs, etc.) that can help you live more independently

Benefits of Joining Cal MediConnect

► You’ll only have one card to present at medical appointments and one phone number to call for help

► Your Long-Term Services and Supports (including IHSS) stay exactly the same

► Extra vision benefits - some plans give extra dental benefits

► You’ll have access to a care coordinator

If so, you can combine all your Medicare and Medi-Cal benefits under one health plan called Cal MediConnect. You can continue seeing your doctors and specialists if they work with a Cal MediConnect plan.
