Q & A

If you have a question, please click on the “raise hand” icon.

The screenshot shows a Zoom meeting interface. On the left, a yellow notification bubble says "You are muted by an Organizer." with a close button (X). Below the notification is a vertical toolbar with icons: a right arrow, a microphone, a document, and a hand with a raised index finger. An orange arrow points to the "raise hand" icon. On the right, the "Audio" control panel is visible, showing "Computer audio" selected, "Phone call" unselected, and a "MUTED" status with a microphone icon. Below this, there are dropdown menus for "Transmit (2- Plantronics Savi 7xx)" and "Speakers (2- Plantronics Savi 7xx)", and a volume slider. At the bottom, the "Questions" panel is open, showing a text input field with the placeholder "[Enter a question for staff]" and a "Send" button.
