Do you have Medicare and Medi-Cal?

If so, you can combine all your Medicare and Medi-Cal benefits under one health plan called Cal MediConnect. You can continue seeing your doctors and specialists if they work with a Cal MediConnect plan.

Each Cal MediConnect Plan Covers:

- **All Medicare** (Parts A, B, and D) and **Medi-Cal services** under one plan
- **Your Long-Term Services and Supports (LTSS)**, also coordinated by the plan

Long-Term Services and Supports include:
- Community-Based Adults Services (CBAS)
- In-Home Supportive Services (IHSS)
- Multipurpose Senior Services Program (MSSP)
- Nursing home care

How Can a Care Coordinator Help Me?

A care coordinator is a social worker or nurse who helps you manage your health care services and suggests other support that may be helpful.

Your care coordinator can:

- **get referrals** from your primary care doctor to see specialists
- **set up continuity of care** so you can see your important out-of-network providers for a limited time
- **help arrange for transportation** to medically-related appointments
- **connect you to Long-Term Services and Supports** if you qualify
- **assist you with finding services and products** (grab bars, wheelchairs, etc.) that can help you live more independently

Benefits of Joining Cal MediConnect

- **You’ll only have one card** to present at medical appointments and **one phone number** to call for help
- **Your Long-Term Services and Supports (including IHSS)** stay exactly the same
- **Extra vision benefits** - some plans give extra dental benefits
- **You’ll have access to a care coordinator**
