Please join us to learn how consumers with both Medicare and Medi-Cal can maximize their health care benefits with OneCare Connect Cal MediConnect Plan (Medicare-Medi-Cal Plan). Find out more about the resources available through Long-Term Services and Supports for dual eligible beneficiaries as well. Afterwards, visit our virtual expo hall to connect with local community resources!

If you have questions, or to request accommodations, please contact Rita Cruz Gallegos at 951-468-5712.
