Enrollment Materials and Sample Notices

Choosing a health plan is important. These materials are available to you free of charge, and are print-ready to help you through the enrollment process. Please feel free to download, print, and use these materials at your convenience.

Enrollment Dashboard

The Enrollment Dashboard provides a snapshot of demographic and enrollment information in the Cal MediConnect program and is released on a monthly basis. The information is presented by county, plan, threshold language spoken and race/ethnicity. Where possible, quarterly trend information is also presented.
